

# applicant questionnaire (New 4th-12th Grade Students)

It is a privilege to be enrolled as a student at VCA. We desire to continue the establishment of a school that grows with its students, providing an academic environment that is stimulating to the student in every area of their lives—body, mind, and spirit. Students who are in one accord enjoy interaction with their teachers, staff and peers and share a spirit of unity.

However, students who do not have a desire to be part of the VCA family often find it difficult to become involved in this atmosphere as active members on a day-to-day basis. Please take some time to thoughtfully consider each of the following questions regarding your enrollment in the Academy (**TO BE COMPLETED BY THE STUDENT**).

1. Why would you like to be considered for enrollment at our school?

2. Do you enjoy school? Why or why not?

3. How would you rate your efforts as a student? (circle one)

Excellent    Good    Average    Poor

4. Do you attend church every week with your family?

5. What area(s) in your life are you currently seeking to improve upon?

6. Please list your best qualities (what do you like about yourself)?

7. What do you think you could bring to our school that will help us to grow and improve?

8. How do you respond to discipline?

9. Who are your heroes?

10. If you are accepted into the Academy, what could we do for you?
